

State Term Schedule

Ohio's Department of Administrative Services (DAS) awarded MacB's GRACAR (now Information Solutions Center) a State Term Schedule (533924-1) for Professional IT Services (NIGP Code 964-00-99-033-1). This contract permits all agencies associated with the State of Ohio to purchase professional services directly from MacB using Federal GSA pricing, without the need for a competitive bid. MacB's State Term Schedule also permits all local Ohio government agencies to take advantage of this same special pricing without competitive bid.
